For SG Trust Services

(*) This information is included in its entirety on the certificate. Please make sure that this information is complete and unambiguous.

PERSONAL INFORMATION. Personal information collected for the purposes of this document are required to process your request. This information, along with the information received subsequently, is intended for SG Trust Services, which is expressly authorized to store it on a computer system and to use it, as well as to communicate it for the same purposes to companies in the Société Générale Group or to third parties for administrative purposes. You have the right to access and rectify this information by writing to SG Trust Services at the following address: **SG Trust Services, 17 cours Valmy, 92972 Paris La Défense Cedex FRANCE**

NOTICE. The Client guarantees the accuracy of the information provided and the attached supporting documents and agrees to inform SG Trust immediately Services of any changes in said information. SG Trust Services or the branch manager of a company in the Société Générale Group or a central department of a company in the Group reserves the right to refuse files that are incomplete or that contain erroneous data.

1. PURPOSE

The Subscriber recognizes that the Client and SG Trust Services have agreed on General Conditions (the "General Conditions") as well as the Specific Conditions (the "Specific Conditions") of the Subscription Contract specifying the methods for sending and using the Certificates provided by SG Trust Services.

2. DEFINITIONS

Unless there is a contrary definition in the body of the Individual Subscriber Request, the terms in uppercase shall have the definitions set forth in article 2 of the General Conditions.

3. INFORMATION PROVIDED BY THE SUBSCRIBER

The Subscriber guarantees the accuracy of the information provided above. The Subscriber agrees to inform SG Trust Services in writing of any changes to this information. The Subscriber recognizes that each Certificate provided to him/her will contain information concerning his/her identity (for example, last name, first name).

4. OBLIGATIONS OF THE SUBSCRIBER

The Subscriber agrees to respect all the stipulations in this Individual Subscriber Request, the General Conditions and the Specific Conditions, as well as the Connection Kit Sales Contract, if appropriate.

5. DOWNLOADING OF CERTIFICATES

The Subscriber will have to download his certificate within 30 calendar days following the sending of the e-mail giving notice of its provision. The subscriber is responsible for verifying the information contained on the Certificates on the Website and for informing SG Trust Services of any inaccuracies or failures within 7 Working Days following the downloading of the Certificate. The Subscriber shall be considered to have accepted the Certificates after that period, or if he/she has used the Certificates. If the Subscriber submits

notification within the aforementioned period, SG Trust Services shall provide the Subscriber with a new Certificate under the conditions specified in Subscription Contract.

6. USE OF CERTIFICATES

6.1 The Subscriber agrees to use Certificates delivered by SG Trust Services solely for the applications described on the first page of this Individual Subscriber Request that correspond to the type of subscription chosen.

6.2 SG Trust Services shall not be held responsible for the use of the Certificates for any other application. The Subscriber also agrees to no longer use the Certificates following their expiration, a Revocation request, or notification of the Revocation of Certificates, for any reason whatsoever.

7. CONFIDENTIALITY

The Subscriber shall keep the Subscriber Identification code indicated above secret, as well as the Private Key associated with the Certificate, the activation code for said Key, and shall protect these items from loss, theft, being compromised, or information capture. In particular the Subscriber shall ensure the security of the computer workstations on which the Certificate is used and shall not write the Confidential Data on any medium whatsoever, in particular on paper, except for the Subscriber ID Code provided in the Individual Subscriber Request. In the event of loss, theft, compromising or captures data-processing, he must revoke without delay the certificate concerned according to methods described in the Certificate Policy associated.

8. BRAND NAME

SG Trust Services shall not be held responsible under any circumstances for the fraudulent use of a company name, a brand, a personal name, or an electronic mail address used as part of the services provided.
